NINGBO HUIKE NEW ERA ELECTRICAL APPLIANCES CO LTD

E238496

DEVELOPMENT ZONE

XINTANG YAN

JIANGSHAN

NINGBO, ZHEJIANG 315191 CHINA

Investigated to ANSI/UL 508

Open type relays, for use in industrial applications Model(s) HK4101F, HK3FF and HKV6, followed by -DC, followed by 3V, 5V, 6V, 9V, 12V or 24V, followed by -S or blank, followed by coil power rating, followed by contact form, followed by mounting termination, may be followed by special request code

Open type relays, for use in industrial controls Model(s) HK115F, HK115FH, HK115FD followed by -DC, followed by any voltage from 5 to 48 incl., followed by -S, followed by contact form, followed by mounting termination, may be followed by special request code

HK14F, HK14FD followed by -DC, followed by any voltage from 3 to 48 incl., followed by -S, followed by coil power rating, followed by contact form, followed by mounting termination, may be followed by special request code

Open type relays, for use in information technology equipment applications Model(s) HK19F followed by DC, followed by 3, 5, 6, 9, 12, 24, followed by S, followed by blank, D, H or T, followed by G.

HK4100F, HK23F followed by DC, followed by 3, 5, 6, 9, 12 or 24, followed by S or blank, followed by coil power rating, followed by contact form, followed by mounting termination, may be followed by special request code.

Marking: Company name or trademark model designation on the product or on the smallest unit container in which the product is packaged.

When the UL Leaf Mark is on the product, or when the word "Environment" is included in the UL Mark, please search the [UL Environment database](#) for additional information regarding this product's certification.

The appearance of a company's name or product in this database does not in itself assure that products so identified have been manufactured under UL's Follow-Up Service. Only those products bearing the UL Mark should be considered to be Certified and covered under UL's Follow-Up Service. Always look for the Mark on the product.

UL permits the reproduction of the material contained in the Online Certification Directory subject to the following conditions: 1. The Guide Information, Assemblies, Constructions, Designs, Systems, and/or Certifications (files) must be presented in their entirety and in a non-misleading manner, without any manipulation of the data (or drawings). 2. The statement "Reprinted from the Online Certifications Directory with permission from UL" must appear adjacent to the extracted material. In addition, the reprinted material must include a copyright notice in the following format: "© 2014 UL LLC".
